

NEW INDIAN SCHOOL – MANGAF, KUWAIT

Circular: PC/027/21

Date: 03.11.2021

Dear Parents,

Greetings from NIS!!!

Hope all of you are doing well. Kindly be informed of the following with regard to your child's studies at NIS.

The children have done with their Term End examination. Now, it's time for them to focus on other activities as well along with their studies. Accordingly, we have planned the following for them to make their learning experiences at NIS more pleasurable.

Physical Education period: We are happy to introduce physical education classes with effect from 7th Nov ,2021 with due regard to all the instructions issued by the Ministry of Health regarding the same. Our playground on the terrace is fully fenced and equipped to play different games like volleyball, badminton, throw ball etc. We will make every effort at NIS to make our students physically fit by introducing aerobics, marching rehearsals, athletic practice etc. If your child is allergic or has any problem in participating in the same kindly inform the class teacher by sending a note.

NIS-Whiz: To make our students more well versed with the current affairs and prepare them for the competitive exams, we have planned to start a new programme called NIS-WHIZ with effect from 7th NOV 2021 for the students of classes 3 to 8. As per this plan, every Sunday during the homeroom period, the class teacher will conduct a brief quiz contest of just 5 questions. Most of the questions of this quiz will be based on the current affairs of the previous week, Therefore, we request the parents to inculcate in their children habit of regularly watching news channels to keep them updated with the global events. This will give them a lot of general awareness beyond the text books.

Quiz club: In addition to the Nis Whiz program we are going to start the quiz club for the students of classes 3 to 8. Those students who are genuinely interested in taking their GK to a higher level can register their names with the class teachers on or before 10-11-2021 and they will get training on every Saturday to participate in interschool quiz programs. More details on the same will follow soon.

Answer paper distribution: On 7-11-2021 the answer papers of the Term End Examination will be distributed in all the classes for all the subjects. If there is discrepancy in the paper evaluation, it should be brought to the notice of the teacher immediately by the students of classes 5 to 8. However, the students of classes 1to 4 are allowed one more extra day to notify the mistakes, if any, in the evaluation of papers. The students will bring home the answer papers. But the next day the answer papers should be returned back to the teachers without any kind of tampering.

Activity period: Activity periods of the November month will be used to conduct activities /competitions to promote speaking skills and eliminate the stage fear of the students. We shall take them to the auditorium in small

groups to develop public speaking skills. Accordingly, the activity schedule of November month is planned as follows

Classes 1to 4	Classes 5 to 8
Show and Tell	Extemporary
Story telling competition	Role play

Kindly encourage your wards to participate in every activity organized by the school to ensure all round development of the personality. For more details on the same kindly contact the respective class teachers.

Let us work together to make learning at NIS a memorable experience for our kids.

Warm regards

Anita Sadanand
Principal.
