

## NEW INDIAN SCHOOL – MANGAF, KUWAIT

**Circular: PC/028/21**

**Date: 11.11.2021**

**Dear Parents,**

**Greetings from NIS!!!**

Please be informed of the following:

**PTM:**

Online PTM will be held on 20-11-2021. Parents are requested to meet the respective teachers of their wards without fail. This is important because frequent interactions with the teachers will help the parents to know the academic strength and weaknesses of their children and do the needful accordingly. Kindly stick to the schedule given to you by the class teachers.

**Report Card:**

The report card of the First Term will be made available to the parents on or before 20-11-2021 to come prepared for the PTM.

**Payment of fees:**

We understand that pandemic has taken a toll on all of us both emotionally, physically and financially, however, show has to go on. With due regard to your sentiments may we politely remind you once again to pay the fees please. Kindly Cooperate.

**Children's Day:**

In India Children's Day is celebrated on every 14<sup>th</sup> of November to mark the birthday of Pandit Jawaharlal Nehru, the first Prime Minister of India. On account of that we have declared 14<sup>th</sup> Nov and 15<sup>th</sup> Nov as "dress down" day. Therefore, children are allowed to wear the dress of their choice on these days. In addition to that, after the second break, they will have some fun games like rabbit race, frog race, lemon and spoon race, hurdles race, etc. for one hour and for the next one-hour party time. Though sharing of food is not allowed, children can bring their favorite food in their tiffin boxes and have the same along with some dance and music. The intention of this program is to have a bit of relaxed lighter moments in the school with their classmates and teachers to build up greater bonding. Please be informed that the students of classes 6, 7 and 8 will have this fun time only on 14<sup>th</sup> November 2021 as they are reporting in a single batch.

**Second Periodic Test:**

We are happy to note that most of the students have done considerably well in their Term End Examination. However, we want to raise the bar further. Whenever the teachers call the students for extra coaching the parents have to ensure that their children attend those remedial classes. Kindly avoid taking long leave during the academic session. This will disturb the progress of the students. Second Periodic Test will commence in the second week of December. The portion, timetable of the same will be sent soon. Kindly monitor the studies at home. Let's work together to make the education stress free for the kids by developing in them a regular study pattern.

Thanks and regards  
Anita Sadanand  
Principal
