The class photographs serve as a sweet memory of the childhood for the children to cherish in future. At the same time, class photographs also reflect the school discipline and school culture. Therefore, we expect the students to be in **"100% perfect uniform"** before posing for the photographs. Kindly send the students in school prescribed uniform, jacket, shoes, tie, hairstyle etc. Funky hairstyles are not allowed for the boys. Hair band, hairpins ribbons used by the girls must be of white in color. We request the cooperation of the parents in this regard.

**Annual Examination:** The Timetable, Syllabus, Question paper design, etc. relating to the Final Examination will be sent soon. The teachers will start conducting revision tests repeatedly in the month of February, to train them for the examination. We expect the students to get ready accordingly. Those students who are stuck outside Kuwait need not panic about Annual Examination. We will do the needful but all the students should get ready for the examination very seriously. If any help is needed don't hesitate to contact the teachers.

Thanks and regards,
