**Dear Parents,**

**Greetings from NIS!**

Please be informed of the following:

**PTM:** The first PTM of the year 2022-23 will be held on Saturday 21-05-2022 from 9am to 11.30am. Parents are requested to attend the same without fail. Regular interactions with the teachers of your wards will minimize communication gap and ensure better understanding of each other's expectations

**First Periodic Test / First Assessment:** The timetable, syllabus and question paper pattern of the test for each subject have already been uploaded for all the classes from KG to grade 9. Kindly monitor the studies of the children accordingly.

**Activities:** Along with academics, we are making every effort to provide maximum activities to the children for their personality development. In the coming weeks KG to grade 3 have Lemonade activity to teach some basic life skills, and grade 4 to 9 Collage making activity on the theme **World Environment day** for making them more sensitive towards the environment. In addition to that in the upcoming days we have several special assemblies lined up on different themes. We request the parents to cooperate with the teachers by sending the required costumes, materials etc. for these activities and assemblies. Don't hesitate to contact the respective class teachers if any clarification/ assistance is needed.

The children will do far better when there is strong partnership between the teachers and the parents. Lets strive together for excellence .
