

# NEW INDIAN SCHOOL, MANGAF - KUWAIT

Circular: PC/80/22

Date: 01.09.2022

Dear Parents,

Greetings from NIS!

As informed earlier, **Nistosav**, our school festival will be held on 4<sup>th</sup> Sept. We are pleased to note that 382 students are going to participate in 35 different events/ activities in this festival. This would be a great learning experience both for the participants and non-participants.

Kindly take note of the following in this regard.

- The students will report to school as usual. There is no change in the reporting time and dispersal time. The program will start sharp at 7.30am.
- 4<sup>th</sup> Sept is declared as a **bagless** day. There is no need of bringing bags/books but they need to bring their tiffin bag with enough snacks, juice, water etc. as it is a long day filled with too many activities. Let the snacks in the box be something of their favorite to make this day a little more enjoyable and memorable for the children.
- The students need not wear school uniform. They can wear dress of their choice to add more colors to the day.
- Those who are participating in Role play, Fancy dress, Dance etc. must complete their dressing and make-up at home.
- Kindergarten children are given **off** on this day. They need not come to school on 4<sup>th</sup> Sept, as they are too young to understand what's happening in the school.
- The dispersal of the students may be slightly delayed. (only if students take extra time to complete their activities) The parents are requested not to panic and cooperate with us in patience if that happens.

Wishing all our students a memorable day filled with fun and great learning experiences.

Thanks and regards

Anita Sadanand

Principal
