

NEW INDIAN SCHOOL, MANGAF - KUWAIT

Circular: PC/81/22

Date: 07.09.2022

Dear Parents,

Greetings from NIS!

Please be informed of the following

- **Congratulations**

We heartily congratulate all the parents and their children who participated in **Nisotsav**. The prize winners of the competition will be receiving their certificate on **Children's Day** program tentatively on November 14th. Please continue to encourage your children to participate in extracurricular activities for overall development of their personalities.

Sports activities: We have started with the sports activities. Today, we were very happy to witness the final race of 50 meters for classes 1 and 2. Also the competitiveness of the kids in the frog jump race was highly admirable. In the coming weeks, we have many such sports activities coming up. Kindly have a look at the list of events given below and encourage your children accordingly.

Extending the Vacation

Along with sports and extracurricular activities, it's very important to have discipline and focus on the studies. It has been noticed that a few students are still on vacation. The students are missing out on many learning experiences at school. It is not the fault of students. Therefore, all those parents who have extended the vacation must meet the Principal before sending the children to the school. Discipline is the bridge between goals and accomplishments

Thanks and regards

Anita Sadanand
