

## NEW INDIAN SCHOOL, MANGAF-KUWAIT

Circular: PC/095/22

Date: 04.10.2022

Dear Parents,

Greetings from NIS!!!

Learning multiple languages at an early age gives many benefits to children such as enhanced creativity, mental flexibility etc. It is wrong to assume that children get confused if more than one language is introduced at a time. Keeping this in mind we are planning to introduce one more language in addition to English at the kindergarten level. Accordingly, students have to choose 1 of the following languages

- Arabic
- Hindi
- Tamil
- Malayalam

However, Arab children have no choice other than Arabic. Kindly choose the language accordingly and inform the class teacher. She will ensure that your kids will get training in the chosen language atleast for 2 periods in a week.

Wishing our children Happy Learning !!

Thanks and regards
