

NEW INDIAN SCHOOL, MANGAF-KUWAIT

Circular: PC/092/22

Date: 2.10.2022

Dear Parents,

Greetings from NIS!!!

Hope your kids are enjoying the learning experiences and they are happy in the school.

It has been noticed that a number of kids have been staying back after 11.30 am. It should be noted that Kindergarten teachers are not free after 11.30am as they are engaged with other responsibilities in the senior classes after 11.30am. We humbly request you to pick your kids at 11.30am, so that kids will get enough rest at home.

However, if you are working parents and not able to pick them up at 11.30am we will take care of the kids until 1.30pm by making some special arrangements for their safety and effective utilization of stay back period. But it comes at a cost of KD 25/ per child per month.

Teachers who are assigned this special task will help your kids to complete their studies during this stay back period. This would minimize the fighting and waste of time during stay back period.

This is purely optional. But staying back in the school without enough supervision is strictly not allowed in the best interest of the kids. Kindly cooperate. For more details, kindly contact the School Accountant.

Thanks, and regards

Anita Sadanand
