

NEW INDIAN SCHOOL, MANGAF-KUWAIT

Circular: PC/093/22

Date: 2.10.2022

Dear Parents,

Greetings from NIS!!!

New Indian School never advocates tuitions for the children. Students are expected to be very attentive and interactive in classrooms. This would minimize the need for tuitions. This does not only save money for the parents but also leads to better discipline among the children and results in stress free education. However, the parents of quite a few new admissions have requested for "after school tuitions" for their children in the school premises. Considering that request, we have decided to start the tuition classes with effect from 4th October, 2022. Details are as follows:

1.30 pm to 1.45 pm – Lunch Break.

1.45 pm to 3.00 pm – Tuitions.

This arrangement is for all the days from Sunday to Thursday (excluding holidays) It should be noted that this is purely optional for students to join the classes. However, if once the students join these classes they have to continue for at least 3 months to bring about the desired change.

The cost of program is KD 30/per student per month (for all 3subjects, English, EVS, Mathematics) in classes 1,2,3and 4. However, for students of classes 5 and above, the charges are KD20/per subject per month. Kindly contact the school Accountant for more details.

Thanks, and regards
