Dear Parents,

Greetings from NIS!!

“Sports do not build character. They reveal it”

We are pleased to inform you that a “Sports Day” has been organized for our students on 8th January 2023, Sunday at KOC Stadium from 7 am to 11.30 am. Sports and games are integral part of a student’s life as they play an important role in their all round development and instill values like discipline, responsibility and self development. Therefore, participation is mandatory for each and every student from UKG to grade 9.

The program will have a series of activities like Mass drills, March-past and the Final races for the semifinalists of students from UKG to grade 9. At the end of formal program novelty races are lined up for parents as well. Kindly make yourself available on that day to encourage the kids and to spend some quality time with them. We regret that due to non availability of stadium we could not have it on a more convenient day for you.

To meet the expenses of this program, we are charging a fee of KD 2/-which will cover up the charges of props for the mass drill, refreshment for the kids, medals and certificates for the winners etc. Kindly deposit the money and the consent slip with the teacher on or before 4th December, 2022 (Sunday). Kindly meet the deadline as event of this kind cannot be organized at a short notice. The class teachers will contact you with more details and clarify your doubts if any.

We look forward to your presence and support on this special day.

Warm regards

ABS
