Dear Parents,

Greetings from NIS!

This is to convey our heartiest gratitude to all those parents who attended yesterday's "Sports Day" program despite that being a working day. Thank you very much.

Special gratitude to those parents who took part in races and tug of war. It was a pleasant surprise to see the large participation from the side of the parents. Due to shortage of time we could not accommodate all parents who wanted to participate. However, we are extremely happy to see your involvement and enthusiasm. Keep up your spirits and may it inspire your kids as well.

Thanks for waiting until the end of program without picking up the children in between the program. Our appreciation even to those parents who could not attend the program but supported us indirectly by buying the right costumes and arranging the transport at the right time for the children.

"At the end of the day the most overwhelming key to a child's success is the positive involvement of parents"

Thanks, and regards

ABS
