Dear Parents,

Greetings from NIS!

This is to inform you that the timetable for the Final Assessment/ Annual Examination for all the classes (KG to grade 9) has been posted already. Kindly get your children ready accordingly. To reduce the burden on the children, examination for co-scholastic subjects will be conducted well in advance so that students can focus only on main subjects by the end of the year. (from the second week of February.)

The portion for the co-scholastic subjects has been uploaded today. The syllabus and question paper pattern for the scholastic subjects will be uploaded on 6th February, 2023.

If students of grade 4 to 9 have any difficulty in understanding any concept they can contact their respective subject teachers. They are ready to help you.

As informed earlier this Saturday (28-1-2023) doubt clarifying session will be held for Science subject. Kindly make use of the same.

“The best preparation for tomorrow is doing your best today”

Hope students will start preparations for the exam well in advance to avoid last minute stress.

Thanks and Regards
