

## NEW INDIAN SCHOOL, MANGAF - KUWAIT

**Circular: PC/140/23**

**Date: 06.04.2023**

Dear Parents, Greetings from NIS!!!

We are happy to see our students back in the school as they commence new academic year 2023-24. We can see them well settled in their new classrooms with the new teacher and the new classmates. So it's time now to start the teaching learning activities seriously. Our teachers are well prepared with their Year plan and the Innovative teaching plans.

Parents are requested to take note of the following in this regard

**Year plan:** We would post the Year plan for all the classes (from KG to grade 10) on 10th April 2023. This will help you to have an idea of what's happening in the classrooms throughout the year across all the subjects.

**Study Materials:** Study materials will be posted in TEAMS from time to time. If anyone has any difficulty in accessing the TEAMS kindly contact the school office or the respective class teachers

**"Assignment books"** will be supplied to the students in the classrooms. This book will help them to get additional practice on the concept taught in the classrooms. The completed assignments should be submitted by the students on time without fail. Parents are requested to send the students to the school with all the required books neatly covered and labelled (to avoid the loss/misplacement)

**Uniforms:** Kindly send the students in perfect uniform. If anyone has confusion regarding the uniform, kindly read the Almanac for all the required details.

**We wish each and every student a pleasant, interactive, thought-provoking learning experience throughout the year.**

Please be informed that the school will remain closed on Sunday 9th April on account of Easter.

We wish everyone **Happy Easter**

Thanks and regards,
