

## NEW INDIAN SCHOOL, MANGAF-KUWAIT

**Circular: PC/156/23**

**Date: 10.09.2023**

Dear Parents,

Greetings from NIS!

To provide an opportunity for the students to showcase their aesthetic ideas, creative innovation as well as to ignite the mind of the students in the field of science and technology, an **exhibition** has been organized in the school premises on 17<sup>th</sup> September for all the students of classes 1 to 10.

The students have been given all the details regarding the same before they proceed for the summer vacation, therefore we would like to have 100% participation from the students as this activity is going to be assessed and performance will be reflected in the report card.

There is no change in the school timings on this day. However, the KG students will remain at home on this day. We would like to invite the parents for the school exhibition from 9:00 a.m. to 12:00 noon. We hope all of you will be present in a large number to encourage the students. However, we would request the parents to leave the school premises latest by 12:30 p.m as we need minimum 1 hour to dismantle the exhibits and organize the students for the smooth dispersal sharp at 1:30 p.m.

We request the parents not to ask for the “early release” of their children on this particular day as it will create a lot of confusions and chaos. The parents are requested to wait in the “parent pickup area “ until the dispersal. The seating arrangements will be made accordingly

Looking forward to your support and cooperation.

Thanks & Regards,
