

NEW INDIAN SCHOOL, MANGAF-KUWAIT

Circular: PC/151/23

Date: 04.06.2023

Dear Parents,

Greetings from NIS!

Please be informed of the following

- **Summer Break :**

As informed earlier, the school will be closed for the "Summer Vacation" for students starting from Sunday, 11th June 2023 and will reopen on Tuesday, 29th August, 2023. However, the students of classes IX and X will report on Wednesday, 23rd August, 2023.

- **Holiday Assignment**

Holiday Assignment will be uploaded on 15-06-23 in "Teams". The completed assignment should be submitted by the students on the reopening day. Holiday assignment will be considered for internal assessment. It will be evaluated and given back on 12th September (Tuesday).

- **Return of the books**

The books collected and kept in the school to reduce the bag weight will be returned by the class teachers on 7th June. Kindly ensure that all the books are collected back without fail. If any book is missing immediately get back to the teacher. There should not be any confusion regarding this at a later stage.

- **Answer paper distribution**

The answer papers of the first periodic test will be distributed on 7th June. Kindly check, sign and return back the papers on 8th June without fail. If there is any discrepancy it should be informed to the teacher on the same day.

- **Exhibition :**

"Learning by doing" is a great way to understand the concept clearly. Therefore, each and every student from class I to X must participate in the "exhibition" that we are going to conduct tentatively on 10th September. Every student will display one working model or project in this exhibition on any subject or topic of their choice or as guided by the teacher. As this is one of the subject enhancement activity marks allotted for this activity will be reflected in the report card. Therefore, let the creativity , imagination of the children start working in the vacation to make their exhibit ready. The respective class teachers will get back to you with more details.

Holiday assignment for the parents:

Last year a detailed circular has been uploaded with 12 points to explain how summer break can be made more productive, entertaining and refreshing for your kids. That circular is still available in the website. Kindly check the same.

Instead of focusing all the time on the kids sometimes it's better for us to focus on recharging and reenergizing ourselves. 99 percent of the parents are very respectful, patient and cooperative but it has been noticed that a few parents speak very disrespectfully to the school staff. Please remember it will never help you solve your problems. It will only complicate the problems and in addition to that you are setting a very wrong example to your kids.

A few kids are very open about this. They explain how their parents shout and scream at each other. The gift that we should never give our kids is "broken family"

So, let's use this break to do the "introspection". You may not be having "break" from office but still you have "break" from school. So enough time to think, ponder smile and be grateful.

Hoping to meet all the kids and their parents after the break with broader outlook and positive attitude.

We wish everyone a “**great vacation**”. But please don't spend all the money. Keep a little to pay the school fees. Last date to pay the second term fee is 15th September. Keep smiling...

“ **Families that eat and pray together stay together** ”

With lots of love and regards to all of you,

Anita Sadanand
