

NEW INDIAN SCHOOL, MANGAF-KUWAIT

Circular: PC/161/23

Date: 17.09.2023

Dear Parents,

Greetings from NIS!

First of all, a **big thank you** for all those parents who attended the School Exhibition today despite being a working day. This shows your involvement in the education of your children. Keep it up! We highly appreciate it and it has encouraged us to open more doors to make the studies interesting and interactive for your children.

- **FIRST TERM EXAMINATION**

After this exhibition, now, it is time for us to divert the attention of the children towards the Formal Assessment coming up in the 1st week of October. Today, we have uploaded the Time-table for the First Term Examination. The syllabus and question paper pattern will be uploaded on 21st September. Kindly get your children ready accordingly. We request you not to push them to the tuition center, instead provide a minimum of 2 to 3 hour of learning environment at home to revise for the examination.

- **REMEDIAL CLASSES**

To help the students in their preparations for the First Term Examination, we are providing additional help in academics even on Saturdays for the needy students. Kindly check the communication from the teachers regarding this topic and send the students for the remedial classes accordingly. These classes will help the children to clarify the doubts in the lessons that have been taught already. Teachers are sacrificing their personal time to help the students but the same level of enthusiasm is needed from the side of students as well. Last week we have noticed that a few students skipped remedial classes. Let's work together to achieve better results.

Regards,

ABS
