Dear Parents,

Greetings from NISI!

We are pleased to inform you that swimming classes have already commenced for boys & girls of classes IV to X. In addition to this please take note of the following:

- Students must bring their own swim wear, towels, caps etc.
- All the swimming accessories must be clearly labeled to avoid loss or misplacement.
- Goggles must be of unbreakable material.
- Swimwear must be single piece for girls.
- Hair must be tied back neatly and wearing of caps is compulsory.
- No child will be allowed in the pool without necessary accessories.
- Swimming classes will be canceled for those students who will reach the classroom late after swimming sessions.

*Lady attendant will be present in the pool, but swimming will be taught by a male coach.

Thanks & Regards,

Anita Sapanand
