Dear Anita Sadananda

Cambridge International School number – KW097
Cambridge International School name – New Indian School

Confirmation of approval as a Cambridge International School to your Cambridge Associate – British Council, Kuwait – Cambridge Associate number – KW001

I am delighted to welcome you to Cambridge International as one of our Cambridge Associate Schools. You are now part of a learning community of over 10,000 Cambridge schools in more than 160 countries.

We are the world's largest provider of international education programmes and qualifications for 5–19 year olds. We design programmes and qualifications that are flexible and easy to introduce and help learners become confident, responsible, innovative and engaged.

As you know, a Cambridge Associate School works with us through another organisation known as a Cambridge Associate. Your Cambridge Associate will provide customer support for your school, answer any questions you might have and give you access to all the support and information you need to teach and administer our exams. Your point of contact will always be your Cambridge Associate so please remember to contact them in the first instance.

Please quote your Cambridge International School number in all communications with your Cambridge Associate.

Your Cambridge International School has been approved to offer:

- **Cambridge International General Certificate of Secondary Education (IGCSE) (Age 14–16)***
- **Cambridge International Advanced Subsidiary Level and Advanced Level (AS/A Level) (Age 16–19)***

*Age ranges are for guidance only

Online training for exams officers

Our course 'Getting to know the Cambridge Exams Cycle' is a self-managed online training course for exams officers administering our exams. It is free of charge, flexible, easy-to-use and ideal for exams officers new to Cambridge. For more information, including how to access the course, please visit our [public website](#).

I wish every success to your first group of Cambridge learners and we look forward to working with you.

Yours sincerely

Jon Algar
